

It's Fabulous February

The year is off to a good start,
and we're thrilled to welcome
February - the last month of
summer.

NDIS EVENTS

Did you know that the NDIS runs regular events and information sessions that you can join in person or online? The upcoming webinars will cover::

The latest updates on:

- [support needs assessments](#)
- [changes to planning](#)
- [funding periods](#)
- [impairment information](#)

As well as the 'New' way of NDIS planning, which will cover:

- what's new
- what's changed
- what's still to come

For more information or to register for these events, click the link below.

NEURO-AFFIRMING EVENT

WA's leading neuro-affirming event, the [Spectrum Space Symposium](#), this year celebrates 10 years of bringing together autistic voices, lived experience, professional insight and research, in order to honour identity, strengthen community and promote inclusion.

Celebrating 10 Years

With exciting changes to both venue and program, it's sure to be a sell-out, so click the link below for more information or to book EARLY BIRD tickets.

SYMPOSIUM BURSARIES

And speaking of the Spectrum Space Symposium, this year, **Lotterywest** have joined them, offering bursaries to subsidise the cost of tickets, thereby removing financial constraint as a barrier to entry.

● **Applications Close – 28**

February 2026

● **Eligibility** – WA residents aged 18+ with lived experience of autism (individual or guardian)

Limited bursaries are available – **Apply early to avoid missing out**

Central Health

Don't delay - get in touch today!

Our recent promotion of **Reduced-Fee Assessments** over the holiday period was very well-received, so in response to numerous requests and in order to manage the volume, we have **EXTENDED** our promotion period until **28 February 2026**.

Please feel free to share.

Absolutely MUST end 28 February 2026!

SPECIALISED SUPPORTS

Through our provision of allied health services, we have identified some common struggles that require extensive supports

And since we have team members with significant experience in these areas, we're currently developing programs and resources to better support families and carers dealing with these issues.

These are but a few of them - watch this space for more!

SPECIALISED SUPPORTS COMING SOON!
