EARLY CHILDHOOD SPEECH

Our second new Specialised Program is aimed at pre-school children needing support with their speech - **before** they head off to 'big school'.

IS YOUR CHILD'S LANGUAGE ON TRACK?

WE CAN HELP IF YOUR CHILD...

- Has unclear speech
- Is hard to understand
- Finds social interaction tricky
- Uses fewer words than their peers
- Struggles to follow instructions
- Is starting kindy next year

Language development support

Play-based therapy woven into your child's everyday routines — at their centre, in their world.

Kindy readiness screening

A friendly, low-key check of speech and language skills before the big move to school.

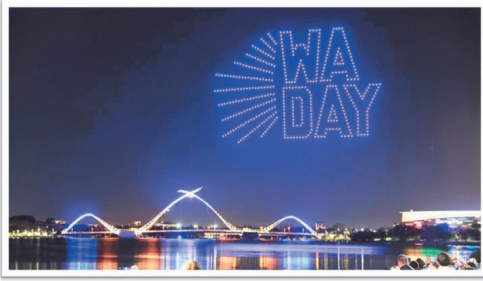

What else is included?

1. Educator consultation ~ we chat with your child's educator about what they're noticing day to day.
2. Play-based Observations & Screening ~ we observe your child in their natural environment.
3. Family feedback and strategies ~ a jargon free summary with practical strategies to use straight away at home.

So if you know of a child in day care or an early education centre who might benefit from a quick assessment, please call our admin team for further information.
